California and Federal labor law provide employees basic rights such as minimum wage, overtime, and meal periods. Unfortunately, many different types of workers are "exempt" from obtaining these rights. Determining if an individual is an exempt employee in California requires a complicated analysis, usually best served by an employment attorney well versed in labor law.

A race is a grouping of humans based on shared physical or social qualities into categories generally viewed as distinct by society. First used to refer to speakers of a common language and then to denote national affiliations, by the 17th century the term race began to refer to physical (phenotypical) traits. Modern scholarship regards race as a social construct, an identity which is assigned ...

I. Albion's Seed by David Fischer is a history professor's nine-hundred-page treatise on patterns of early immigration to the Eastern United States. It's not light reading and not the sort of thing I would normally pick up. I read it anyway on the advice of people who kept telling me it explains everything about America.
