A bullet point description of paper 1The following outlines how accuracy is examined to the best of my understanding. A new ruling on accuracy was brought into play in November 2011. A principle reason for this was e-marking and the possibility of examiners marking certain questions only. As such, the previous ruling about applying accuracy penalties once per paper is no longer valid.

2011 Mathematics Extension 1 HSC Examination 'Sample Answers' When examination committees develop questions for the examination, they may write 'sample answers' or, in the case of some questions, 'answers could include'. The committees do this to ensure that the questions will effectively assess students' knowledge and skills.
