Definition. Marketing is defined by the American Marketing Association as "the activity, set of institutions, and processes for creating, communicating, delivering, and exchanging offerings that have value for customers, clients, partners, and society at large." The term developed from the original meaning which referred literally to going to market with goods for sale. From a sales process ...

Domestic sheep (*Ovis aries*) are quadrupedal, ruminant mammals typically kept as livestock. Like most ruminants, sheep are members of the order Artiodactyla, the even-toed ungulates. Although the name sheep applies to many species in the genus *Ovis*, in everyday usage it almost always refers to *Ovis aries*. Numbering a little over one billion, domestic sheep are also the most numerous species of sheep.

Chef's salad Food historians can't quite agree on the history and composition of chef's salad much less who assembled the first one. Some trace this salad's roots to Salmagundi, a popular meat and salad dish originating in 17th century England and popular in colonial America.Others contend chef's salad is a product of early twentieth century, originating in either New York or California.
