Hello, I had not used MathCAD since ... Ver 8 I believe. My company has MathCAD V14-M020 and I am working on a calculation. What I have failed to find is a users manual (you know, 600 pages give or take). There are so many NEW features and I probably have forgotten more than I care to admit (don't use it, you lose it).

reading the MathCAD user manual. When I was first introduced to MathCAD, I was told, "that a few moments with an experienced user are more beneficial than the several pages of explanation found in a tutorial." In hindsight, I totally agree with this statement. MathCAD is a computer software program that allows you to enter and manipulate
