I received a heads up a little over a month ago that Milliman Care Guidelines had been adopted by CMS to determine appropriate level of care. I scoffed at the concept because federal guidelines that you and I get to review as proposed rule before they become final would certainly not be overridden with private company standards without little or no warning.

Milliman criteria or care guidelines are a set of health care standards and clinical practices that help determine the preferred course of treatment in medical situations. The standards appear in the Milliman Care Guidleines and encompass extensive research and analysis of treatment results that health care practitioners submit.

### **What Are Milliman Criteria Guidelines? | Reference.com**

"Milliman made me do it." That's what an increasing number of spine surgeons say they are hearing from insurance reviewers who are denying coverage for fusion procedures the surgeons deem necessary for their patients. It has the feeling of the immovable object of guidelines meeting the irresistible force of medical judgment. Milliman Care ...
