Manual transmissions on Nissan vehicles Just about every model in Nissan's lineup comes with an available auto-manual transmission. However, only a few come standard or available with a fully-manual transmission. They are the 370Z, Frontier, Sentra, and Versa.

### **What Nissan models have a manual transmission?**

huh? i've never heard a synchronizer whine. and besides, it won't "blow" your transmission having old synchronizers. over time it will wear out the gears and the shift collars, and of course the symptoms will get progressively worse over time theoretically until you are forced to revmatch manually, although i've never seen anything get THAT bad. in any case the synchronizers are only there to ...
