Recommended reading for the Primary FRCA-updated! Buying books for anaesthetics is a difficult task- it seems no single book offers it all! We would also say that if you are just starting anaesthetics, the practical side of things are going to be the most challenging initially and not the theory, but it is good to read things up as you go along.

These datasets are used for machine-learning research and have been cited in peer-reviewed academic journals. Datasets are an integral part of the field of machine learning. Major advances in this field can result from advances in learning algorithms (such as deep learning), computer hardware, and, less-intuitively, the availability of high-quality training datasets.
