A related idea is based on a system of shorthand called Speedwriting: There used to be ads in the New York City subway system that read something like this: . if u cn rd ths, u cn lrn spdwrting. The key idea in abbreviating is to use abbreviations that will make sense to you. You can put an abbreviation key in the margin of your notebook for any abbreviations that you make up on the spot.

Although being a doctor can be a rewarding profession, the cost of medical school can be a huge barrier for aspiring students. That's why many future physicians turn to student loans to cover the cost of their education.. Unfortunately, this can also lead to massive student debt – around \$164,800 on average, according to a 2017 Student Loan Hero study.
