PREFACE. The field of medical sociology has undergone considerable change since the first edition of this textbook appeared in 1978. At that time, much of the research in medical sociology was dependent upon the sponsorship of physicians, and a clear division of labor existed between sociologists working in academic departments in universities and those working in health institutions.

### **Medical Sociology 12th edition - Chegg.com**

A comprehensive overview of the most current issues in medical sociology. The standard text in the field, Medical Sociology presents the discipline's most recent and relevant ideas, concepts, themes, issues, debates, and research findings. To draw students into the course, author Dr. William Cockerham integrates engaging first-person accounts ...

### **Medical Sociology, 12th Edition - MyPearsonStore**

Draws the bulk of concepts and ideas from outdated data (1950s-1980s). It's difficult to believe that the field of medical sociology is so popular and growing, as the author states, and yet there is a serious lack of recent research. Disappointed that the book did not engage the reader as much as it could have - it was a very dry read.
