Its would be way to easy to have all machines start up the same way! G54 and a tool setter is my dream!!! I had help from Brent/yardbird to figure out my mori with no G54 or tool setter worked, i have to put each tool in each time i make a different part program no tool off sets it sucks but its tank and slow as hell but works great so far!!!

FANUC lathe startup guide - practicalmachinist.com

The PALLETECH System is exclusive to Mazak and brings advanced, pre-engineered automation to today's machining environments. It is a Multi-Tasking solution for any manufacturing or volume requirement, and is compatible with all of our horizontal machining centers and most of our vertical and 5-axis machining centers.
