MLA is the formatting style of the Modern Language Association. It is used in areas such as English studies, comparative literature, foreign language, and literature or cultural studies. It is an academic style guide extensively used in the United States, Canada, and other countries.

How To Cite A Research Paper Using MLA Format - EssayPro

Heading and Title. A research paper does not normally need a title page, but if the paper is a group project, create a title page and list all the authors on it instead of in the header on page 1 of your essay. If your teacher requires a title page in lieu of or in addition to the header, format it according to the instructions you are given.

Formatting a Research Paper - The MLA Style Center

The format of an MLA works cited list follows many of the same rules as the rest of the paper, including font size, the application of double spacing and the inclusion of the header. You should also use hanging indents for works cited that cover more than one line of text and end all entries with a period.
