The screenshots and other presentations shown in this manual may differ from the actual screens and presentations generated by the actual product. All such differences are minor and the actual product will deliver the described functionality as presented in this User ...

User Manual - Mio Technology

A MIO watch uses a digital display to show the time, date and year, and can be programmed to sound an alarm at a certain time. It has a metal sensor that you press two fingers against to take your heart rate, showing it as beats per minute, which can help you reach your cardiovascular exercise goals.
