Medical Review Officer Manual - SAMHSA

A Medical Review Officer (MRO) is a person who is a licensed physician and who is responsible for receiving and reviewing laboratory results generated by an employer's drug testing program and evaluating medical explanations for certain drug test results.As a MRO, you act as an independent and impartial "gatekeeper" and advocate for the accuracy and integrity of the drug

Medical Review Officers | US Department of Transportation

The Medical Review Officer (MRO) The final review of results is an essential component of any drug testing program. A positive laboratory test result does not automatically identify an employee or job applicant as an illegal drug user, nor does a laboratory result of invalid, substituted, or adulterated automatically identify specimen tampering.
