A bullet point description of paper 1The following outlines how accuracy is examined to the best of my understanding. A new ruling on accuracy was brought into play in November 2011. A principle reason for this was e-marking and the possibility of examiners marking certain questions only. As such, the previous ruling about applying accuracy penalties once per paper is no longer valid.

This section is intended as place to keep records of the different exams that have been produced for the syllabus in which the first exams were taken in May 2014. Reviewing these exams is a really important part of being a Maths Studies teacher. This is particularly true at the beginning of a syllabus cycle when we are all anxious to see the style of questions that are going to go with the ...
