Milliman Guidelines For Septoplasty

Moving patients toward health proactively and efficiently. MCG helps healthcare companies implement informed care strategies that proactively and efficiently move patients toward health by ensuring that patients get the right level of care and the right care activities for the right amount of time.

Informed Healthcare Strategies and Solutions | MCG Health

I received a heads up a little over a month ago that Milliman Care Guidelines had been adopted by CMS to determine appropriate level of care. I scoffed at the concept because federal guidelines that you and I get to review as proposed rule before they become final would certainly not be overridden with private company standards without little or no warning.

Federal Guidelines or Milliman Care Guidelines Time for ...

Milliman Care Guidelines help support a qualified physician's clinical decisions, notes MCG. The guidelines are based on current research with the goal of improving patient outcomes. The guidelines allow the physicians to access current research online or through an interactive software program.

Clinical Utilization Management Guidelines - Anthem

Septoplasty is a surgical procedure performed entirely through the nostrils, accordingly, no bruising or external signs occur. The surgery might be combined with a rhinoplasty, in which case the external appearance of the nose is altered and swelling/bruising of the face is evident. Septoplasty may also be combined with sinus surgery.
