Milliman criteria or care guidelines are a set of health care standards and clinical practices that help determine the preferred course of treatment in medical situations.

### **What Are Milliman Criteria Guidelines? | [Reference.com](http://Reference.com)**

I received a heads up a little over a month ago that Milliman Care Guidelines had been adopted by CMS to determine appropriate level of care. I scoffed at the concept because federal guidelines that you and I get to review as proposed rule before they become final would certainly not be overridden with private company standards without little or no warning.
