Others would argue that it is the no-fault divorce provisions that make divorce quick and easy and thus permit Americans to have a selfish attitude toward marriage. If no-fault divorces were not an option and couples had to go through the court system to end their marriages, they would work harder to keep them together and resolve the difficulties.

Petition for divorce. When someone says they are delivering divorce papers, the "papers" almost certainly include a petition for divorce. A petition is basically a formal request for a court to dissolve a marriage. It can also be called a "complaint," which is the term used in most lawsuits. A petition must state the grounds for divorce.

### **What Are in Divorce Papers? | Marriage.com**

Marriage and divorce are both common experiences. In Western cultures, more than 90 percent of people marry by age 50. Healthy marriages are good for couples' mental and physical health. They are also good for children; growing up in a happy home protects children from mental, physical, educational and social problems.
