Gameplay. Mass Effect 3 is an action role-playing game in which the player takes control of Commander Shepard from a third-person perspective. Shepard's gender, appearance, military background, combat training, and first name are determined by the player before the game begins. If the player has a completed saved game from Mass Effect 2, the character from that game can be imported.

Mass Effect 3 - Wikipedia

A self-insert/OC story, after waking up on an alien planet and having panic attacks our main character learns he is immortal and has somehow knowledge in his mind to create whatever he wants and so after years and years of building he finally goes to space to try and found his way back to Earth, unfortunately, he founds that he is not in his own universe but in Mass Effect universe
