John Steinbeck, born in Salinas, California, in 1902, grew up in a fertile agricultural valley, about twenty-five miles from the Pacific Coast. Both the valley and the coast would serve as settings for some of his best fiction. In 1919 he went to Stanford University, where he intermittently enrolled in literature and writing courses until he left in 1925 without taking a degree.

x In the present issue of the International Journal of Cardiology Mavrogeni et al. [1] addressed the relevant topic of arrhythmias in patients affected by various rheumatic disorders. As Clinicians know, the abrupt onset of arrhythmias might severely complicate the clinical picture of these patients despite a persistent normal regional and global left ventricular function.
