It can be run both under interactive sessions and as a batch job. This tutorial gives you aggressively a gentle introduction of MATLAB programming language.

MATLAB - tutorialspoint.com

The 2nd edition includes descriptions of Matlab 7. But in fact, much of the text seems unchanged from the 1st edition. Because while Matlab continues to add refinements, it is by now very stable in its core functionality. Thus, at least for beginners, the book is useful, regardless of which precise version of Matlab is on your machine.
